

Hariharan Bajrang Baan Lyrics

|| Couplet ||

With faith and love, he is honored.

Hanuman accomplishes all his auspicious tasks.

|| Verse ||

Hail Hanuman, the benevolent saint. Listen to our request, Lord.

Do not delay the tasks of the people. Run impatiently and grant them great happiness.

Just as you jumped into the ocean and crossed it. Surasa entered the body and spread it.

Lankini went ahead and was stopped. She kicked him and the gods went to the world.

He gave happiness to Vibhishan. Seeing Sita he attained the ultimate position.

Destroying the garden and taking a sack in the ocean. Yama was very impatient and scared of you.

Akshay Kumar killed you and killed you. Lanka was set on fire by wrapping it with a loom.

Lanka was burnt like lac. Jai Jai Dhuni became the city of gods.

Now why delay, O lord. Have mercy on us, O omniscient one.

Jai Jai Lakshman, giver of life. Be anxious and remove our sorrow.

Jai Giridhar, Jai Jai Sukh Sagar. Deity Samarth Bhatnagar.

Om Hanu Hanu Hanu Hanu, stubborn Hanuman. I will hit the enemy with the thunderbolt.

Hit the enemy with the thunderbolt mace. Maharaj Prabhu save this slave.

Omkar roar Mahaprabhu run. Do not delay with the thunderbolt mace.

Om Hreem Hreem Hreem Hanumant Kapisa. Om Hreem Hreem Hreem, I will hit the enemy with the mirror.

Be true on Hari's oath. I will send Ram's messenger and kill the nurse.

Hail Hail Hail Hanuman, I am deeply saddened by the crime of the people.

Worship, chanting, penance, rituals and customs. Your servant does not know anything.

In the forest, garden, mountain or home. I am not afraid of your strength.

I bow down to you with folded hands. Why should I call you on this occasion.

Hail Anjani's son, the strong one. Shankar, the patient Hanuman.

The fierce body of time destroys the entire family. Ram is always the protector.

Ghosts, spirits, vampires, nocturnal creatures. Fire, demons, time and death.

I will kill them, I swear in the name of Ram. Rakhu Nath, I will kill them.

Janak's daughter is called Hari's servant. So do not delay in taking this oath.

Jai Jai Jai, the sound of the sky fills up. By chanting, unbearable pain is destroyed.

I bow to your feet and pray to you. This is the right time, why should I call you.

Get up, get up and walk, I pray to you, Lord Rama. I join my hands and pray to you.

Om Chan Chan Chan Chan, the restless one moves. Om Hanu Hanu Hanu Hanu Hanumanta.

Om Han Han, the restless ape is calling out. Om San San, the evil group is scared.

Save your people immediately. By chanting our name, we feel happy.

Whoever hits this Bajrang arrow, tell me who will save him.

Recite the Bajrang arrow, Hanuman protects the life.

Whoever chants this Bajrang Baan, all the ghosts and spirits tremble.

If one offers incense and chants it always, then there will be no pain in the body.
